

A Whig paper recommends that the ex-Hon. Charles Naylor be sent to Lincoln County, ss.

In Lincoln Circuit Court, May Term, 1845.

Among the records and proceedings of said Court made at the third day of said Term, is the following, to wit—

David Simmatt, Attachment

John E. Larrey Assumpsit.

NOW here comes the plaintiff by his Attorney, and it appearing to the satisfaction of the court that the defendant has absconded from his usual place of abode, so that the ordinary process of law cannot be served upon him. It is therefore ordered that said John E. Larrey, the defendant be notified by a publication of this order in some newspaper printed in this State, for four weeks successively, the last insertion, to be at least four weeks before the next term of this court, that said plaintiff has commenced an action of assumpsit against him by attachment for the sum of three hundred and sixty-one dollars and eight cents, with costs, that his property has been attached, and that unless he be and appear in this court at the next term to be begun and held on the fourth Monday in September next, or before the third day of said term, and plead to said action, judgement will be rendered against him and his property sold to satisfy the same; and this cause is continued.

I, Francis Parker, Clerk of said court do certify that the foregoing order is truly copied from the record in my office.

Given under my hand and seal

Seal of office, at office, this 31st day
